

Walberton, Binsted & Fontwell Neighbourhood Plan

Consultation Day

22nd August 2015

Summary

Visitors were invited to comment on our draft plan by using pre-prepared sheets.

The complete sheets follow this summary

100 + visitors came to the consultation day.

45 comments were made and 41 offered their post code.

15 comments were in favour of the plan in its entirety and were keen for it to proceed as it stands.

8 comments were thanking the NP team for all their efforts in the process so far.

5 comments were not relevant to the Neighbourhood plan.

4 comments concerned HP5. They were keen to make observations about the layout of the proposed development with concerns of proximity of the buildings in the artist impression to adjoining properties. The owners are, of course, a long way from planning permission.

4 comments were in favour of HP12 and keen to stress the 'local people' aspect.

3 comments were in favour of all our HP policies.

1 comment was in favour of HP2.

1 comment was in favour of HP6.

1 comment voiced concerns about VE2 and 'glasshouse encroachment'.

1 comment concerned GA7 and was keen to promote the 'shortest route'.

1 comment completely agreed with VE9

1 comment showed objection to HP3 – No post code left with this comment.
