

**Email feedback comments from Open Day** - Held on Nov 8<sup>th</sup> 2014.

Thank you for introducing yourself at the Village Hall, and to your colleagues who did likewise.

A very well organised and thoroughly well put-together event. Well publicised too – impressive stuff! You deserved the healthy turnout.

Congratulations, and thanks.

Thanks to everyone who organised today's open day. It was very informative and - I'm sure - useful.

Just a note to say that I was really impressed by the way the open day was run, staffed and presented. Everyone had a fair pitch, and the information that was made available really helped. It was also uplifting to see Arun DC presenting there too - it shows that they do care and they want to get involved or help where they can. I must admit that some proposals that I worried about did actually seem quite good when each presenter had their chance to talk to you about their ideas. Dandara were (as expected) amazingly well rehearsed and really slick - but they didn't seem to fit in due to their 'political strategic allocation' message - however, the other pitches were far more community minded, and this made their proposals a lot more credible. Thank you for the Open Day!

Pat and I would like to say "Well Done" to you and the Neighbourhood Plan Team for organising such an excellent presentation in the Village Hall today. I know from experience how much hard work goes into getting everything right on the day and you succeeded. The options were presented in a very well balanced way and I will look forward to reading the results.

The success of the Open Day was of course due to the many weeks of planning by you and the Neighbourhood Plan group.

Let's hope the excellent attendance will help keep the momentum going in the process towards the referendum.

Pleased to help in the future if useful.

We just wanted to thank you and the team for a great open day yesterday. The turnout was terrific and a real demonstration of the depth of feeling within the villages.

Just wanted to say a huge Well done to you all for putting together such an informative presentation on Saturday – huge numbers seemingly!

Firstly thank you for organising the meeting last Saturday, most informative.

First of all – congratulations to all involved. It would be nice to think that your efforts do not go in vain.....

Excellent exhibition full of interesting facts and figures. Well Done !

A wonderful event with clearly a strong Village Community there. Well done

A very good show, almost too many ideas to sort out! But very helpful.

I applaud the hard work that has been put into this exhibition but object to the heavy involvement of Hanbury.
